

Getting Started Using eBooks with axisReader on an Android Device with Axis 360

The following instructions will guide you through the process of downloading axisReader onto an Android device and begin reading ebooks available from your library and Axis 360. The Android platform and appearance may vary on each device. Below is an illustration of steps necessary to use axisReader on an Android. While the screen on your Android may not appear identical to that below, these steps will guide through the process for any Android device.

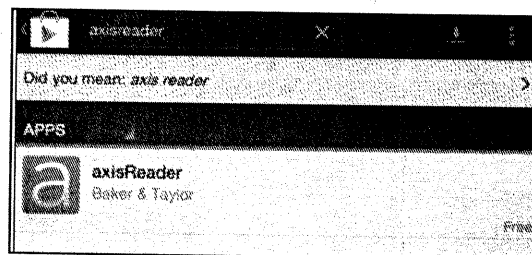

There are two ways to access and download the axisReader app for an Android device.

- Download axisReader from the App Zone on your library's Axis 360 site
- Download axisReader from the Google Play store

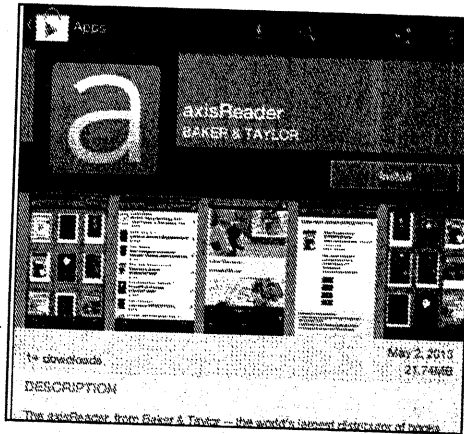

Open Axis 360 in your Android's web browser and click on the App Zone. Then select axisReader.

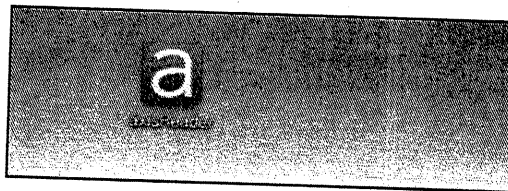

OR Open the Google Play Store and search for "axisReader"

When the axisReader App appears, click on INSTALL to download and then ACCEPT & DOWNLOAD.

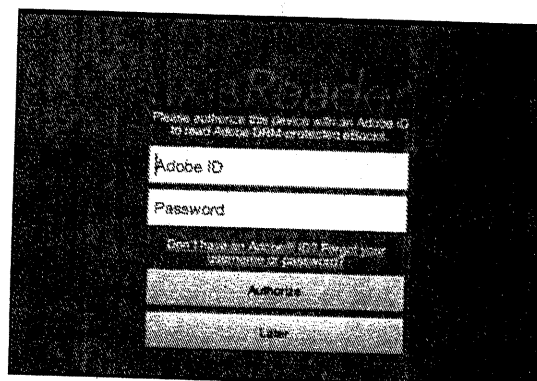

When axisReader has finished installing, open the app by clicking the axisReader icon from the Home page.

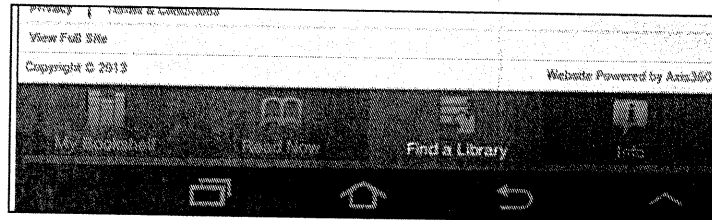

The first time you use axisReader, you will need to "Authorize" the account. Authorizing axisReader requires the use of an Adobe ID. If you have an Adobe ID, you may use that ID to authorize up to 5 devices. If you need to create an Adobe ID, please visit the Adobe website at www.adobe.com/account/sign-in.adobedotcom.html.

Creating your account authorizes the usage and display of ePub/PDF formatted ebooks checked out from Axis 360. Authorization of axisReader will remain, even after you've closed the program.

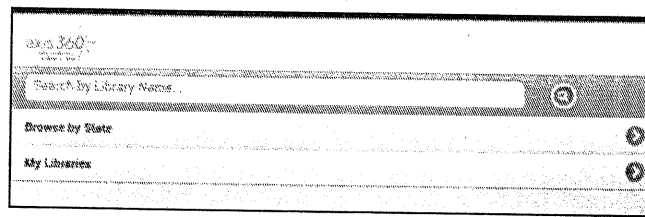

Note: When you register for an Adobe ID there is a check box to "Stay informed via email...". Leaving this box checked authorizes Adobe to send you consumer marketing emails regarding Adobe products.

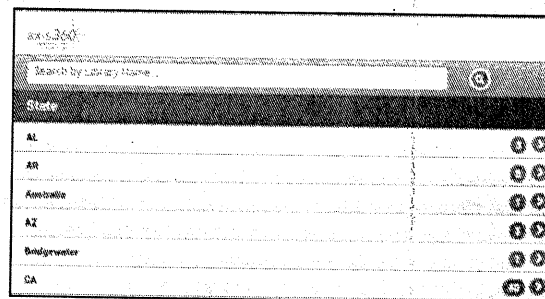

Once authorized, begin using axisReader by saving your local library in the "Find a Library" tab; doing so will create a quick access link to your library's Axis 360 website. Click on "Find a Library" at the bottom of the page.

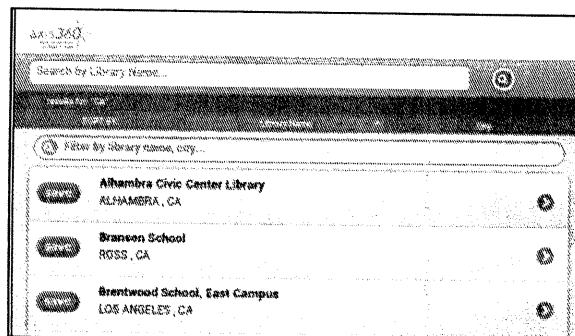

Enter your library's name in to the "Search" box or click on "Browse by State".

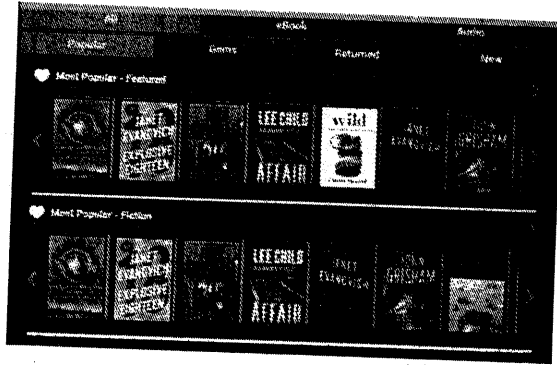

On the following screen click on your state, to locate your library.

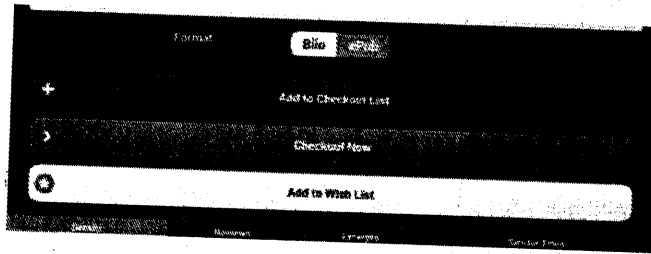

Click on "Save" beside your library name, your library will be saved in the "My Libraries" section of the "Finds a Library" tab. Then click on the library name to open Axis 360.

After clicking on the library name to open the Axis 360 website, you can begin searching for ebooks available in your library's digital media collection.

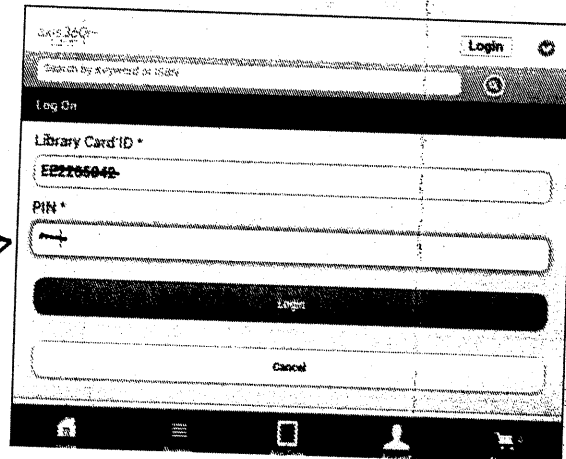

Once a title has been chosen to checkout, select the ePub/PDF format option and then click Checkout Now.

Enter in your Library Card ID and Pin. This information should have been provided by your Library.

last name)

The first time you log into Axis 360, you will be asked to create an account. This account authenticates usage of Axis 360 ebooks through your Library Card ID. (Your email address is only used for notification of availability for titles put on hold.)

A screenshot of a web form titled "Register for an Account". The form contains the following fields: "Library Card ID *" with the value "BT2295342", "PIN *" with "****", "User Name", "Email address *", and "Confirm Email Address *". At the bottom, there are two buttons: "Register Now" and "Cancel".

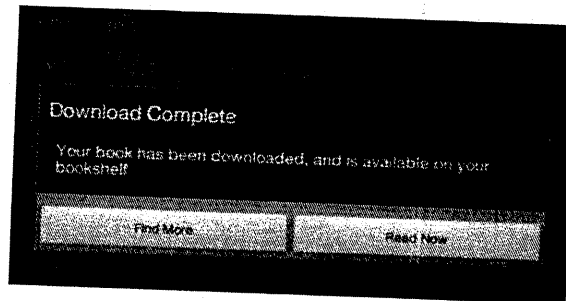

Now that the Axis 360 account has been added and authorized, Axis 360 will confirm the ebook checkout.

A screenshot of a confirmation message. It features a checkmark icon and the text: "You have successfully checked out the selected ebook. Please click the Download link to download the book to your reader." Below the message are two buttons: "Format" and "Download".

After the Check out is complete, click on the Download button.

A screenshot of the ebook checkout page. It shows the "Format" dropdown menu and the "Download" button. At the bottom, it displays the "Due Date: 05/2013 11:02:55 AM" and "Time Remaining: 2 Days".

When the download is complete, select "Read Now" and axisReader will open the ebook or select "Find More" to search for additional ebooks in the Axis 360 collection. The ebooks downloaded in axisReader will be saved in the bookshelf for reading at a later time.

For additional checkout options available for ebooks on Axis 360, please refer to the Help Pages found online.
